Sunglasses

sunglasses

Pro Tourer **9,000+tax**

Progressive touring sunglasses that will bring your mountain adventure into another level. Wide cylindrical high-performance photo chromatic lens is great for every touring activity, during the day or night. Lightweight frame, top quality grip and superb performance. Optional mirror spare lenses and premium protection from the sun for approaching the highest peaks.

Features

- full UV protection
- laser printed Majesty logo
- black pearl lens + clear lens
- each pair comes with Majesty pouch and cardbox

Vertex **7,000+tax**

Modern performance sunglasses with removable soft side shields that provide premium protection from the sun. Great for mountain adventures and ski touring. Supreme finishing and high-performance polarised lenses. Non-slip curved temples guarantee comfortable fit. Vertex can be easily transformed into fashionable every-day use frame by taking off the removable soft side shields.

Features

- polarised lens
- full UV protection
- laser printed Majesty logo
- removable soft side shields
- each pair comes with Majesty pouch and cardbox

Apex 2.0 **9,000+tax**

Classic, technical mountaineering sunglasses with faux leather side shields that provide premium protection from the sun. Great for mountain adventures and ski touring. Supreme finishing and high-performance polarised lenses. Non-slip curved temples guarantee comfortable fit. Apex 2.0 can be easily transformed into fashionable every-day use frame by taking off the accessories.

Features

- polarised lens
- full UV protection
- laser printed Majesty logo
- removable faux leather side shields
- each pair comes with Majesty pouch and cardbox
